ETCHINGHAM FETE & FLOWER + DOG SHOW

2020

SAVE THE DATES!

Wine & Cheese Party: Saturday 22nd February

Village Fete, Flower & Dog Show: Saturday 12th September

Everyone in Etchingham is invited to a Wine & Cheese Party in the **Village Hall on Saturday 22nd February at 6pm** to celebrate last year's hugely successful fete, (which raised an amazing £1400 and was shared between the Village Fireworks Fund and the Fabric Fund for the Church), and to start thinking about this year's event on **Saturday 12th September** in the Queen's Garden.

We're all getting together for informal drinks and nibbles to say thank you to last year's team, who we're hoping will help again in 2020, and give anyone else the chance to let us know what worked and what didn't, and hopefully see a few new people join us to either help on Fete day or in the preceding months to put it all together.

These are community events run by the community for fun as well as fund raising, so we promise there will be no arm twisting, raffles or donation bowl on exit at the party but the success of the Fete in September does rely on good ideas and volunteers so please do come and give it a whirl!

RSVP by 15th February *so we can cater properly and if you have any thoughts or questions (or offers of help at the party or a bottle or plate of your favourite nibbles) please contact:*
