**A** = One vehicle failed the DVLA check, reason unknown, possibly a keying error.

**B** = One vehicle has been recorded on three previous sessions by Etchingham and Benenden, this one has since been referred to ‘Other Agency’, so probably an issue with tax or MOT and passed to DVLA.

**C** = One vehicle recorded for the second time in a week.

**D** = One vehicle failed the DVLA check – reason unknown.

**E** = Two vehicles had been recorded previously, one of them in the morning session and afternoon session on same day.

*Records stay on the Operation Crackdown and Community Speedwatch records for 12 months and are then deleted. The Community Speedwatch system displays the details (without registration) of any vehicles recorded by the same group more than once in the previous 12 months, those details are included at the bottom of this summary each month.*
