

Speedwatch Report

Parish Council 19th October 2023

During September we ran 18 sessions, totalling 9 hours, those sessions recorded 38 speeding vehicles from 1604 passing vehicles, the fastest speed recorded was 55mph.

Five of the sessions did not record any speeding vehicles, one session was cancelled during the month, because an operator became unavailable.

Two vehicles were recorded for the second time.

For October and November we have fewer sessions planned, due to family commitments and holidays.

The full summary of Etchingham sessions for previous months and the Sussex groups overview can be viewed on the Parish Council website in the documents section <https://etchinghamparishcouncil.org.uk/document-category/speedwatch/> .
